The Note

1. Noun _____

The Note

Dear Yu Kai Lahar,

I am having a _____Noun_____ time at camp. The counselor is overwhelming and the food is polluted. I met Julie and we became close friends. Unfortunately, Julie is taken and I recalled my love handle so we couldn`t go jumping like everybody else. I need more boards and a doubt sharpener, so please horrifyingly take more when you lick her.

Your Yu Yu,

Audrey
