# Goodbye Elizabeth!

When Elizabeth \_\_\_\_\_ Verb - Past Tense Outward Bound, all of her coworkers and \_\_\_\_\_ Noun - Plural cried for days and days. The number of \_\_\_\_\_ Noun incidents grew to \_\_\_\_\_ Number per season and there was no more \_\_\_\_\_ Noun at the crew debrief sessions. We cried because we knew we would feel so \_\_\_\_\_ Feeling without her amazing \_\_\_\_\_ Part of Body and laugh!

She was an \_\_\_\_\_ Adjective course director, and the image of her \_\_\_\_\_ Verb - Present ends in ING up to your crew in the rain with her giant \_\_\_\_\_ Noun and rainbow \_\_\_\_\_ Noun is \_\_\_\_\_ Verb - Past Tense into every instructors memory. When we picture her we see her green \_\_\_\_\_ Noun - Plural and striped \_\_\_\_\_ Noun - Plural. She always had plenty of \_\_\_\_\_ Noun - Plural to share with everyone and, as long as you didn't \_\_\_\_\_ Verb \_\_\_\_\_ Noun - Plural from her office, was very happy to \_\_\_\_\_ Verb white board markers.

No one could \_\_\_\_\_ Verb - Base Form her loyal companion either. She was always followed Willow, her \_\_\_\_\_ Adjective \_\_\_\_\_ Noun. Willows \_\_\_\_\_ Part of Body was too big for her mouth, so it would hang out when she \_\_\_\_\_ Verb - Past Tense on the porch of Mary Louise. Of course, all of the \_\_\_\_\_ Noun - Plural loved Willow so much and whatever lesson you were \_\_\_\_\_ Verb - Present ends in ING disappeared when the pair of them would \_\_\_\_\_ Verb up. It wasn't just Willow that they loved. Elizabeth always \_\_\_\_\_ Verb - Past Tense so well with students, and she could remember the name of every single \_\_\_\_\_ Noun.

Since

we all live so close together we know Elizabeth well outside of           Noun          . She is always so  
          Adjective           and if she isn't doing yoga,           Verb - Present ends in ING           down a mountain or           Verb -  
Present ends in ING           up one she would go crazy. And of course, she can grill up a mean           Noun           and always  
puts           food           grounds in her           food           cookies. She knows us well too--she knows who  
          Verb - 3rd Person Singular Present           the loudest and who takes the longest to           Verb - Base Form          . She even (  
somehow) always knows where Charles'           Noun - Plural           are! We hope she also know how very very much  
we love her!

The only thing that might make us stop           Verb - Present ends in ING           is when we all go to visit Elizabeth in  
          Location          . She had better buy another           Noun           to fit everyone! We can't wait for her to host us so  
we can go           Verb - Present ends in ING           and buy some           Noun - Plural           at the local dispensary. So instead of  
saying 'Goodbye' for now lets just say           common phrase           , Elizabeth!"
