One day Dave Sobek said, "Hey, I'mAdjective	You know who makes good, Joy!" He
was right, she does. In fact, people are willing to ca	amp out for food like that!
Meanwhile, at the carpet ball, an ar	gument errupted. It seems that Eli had <u>Noun</u> the bal
overhand, when it had been clearly listed in figure	2.86 of the carpteball code that it must be backhand.
Proper Noun was quickly exiled over to the	table under the tree dripping sap. To which people said, "that
poor sap". You see, they were	bad for the sap landing on the boy, rather than for the boy
himself.
