# Chronicles of Narnia, The Call

It started out as a \_\_\_\_\_, which then grew into to a hope. Which then turned into a quiet thought, Which then turned into a quiet word. And then that word grew louder and louder, till it was a battle cry, I'll come back when you call me no need to say good bye. Just because everything's changing, doesn't mean its never been this way before. All you can do is try to know who your friends are as you head off to the war. Pick a star on the dark horizon and follow the light, you'll come back when it's over, no need to say good bye, you'll back when it's over , no need to say good bye.(Rhythm)Now we're back to the beginning, It's just a feeling and no one knows yet. But just because they can't feel it too doesn't mean that you have to forget. Let your memories grow stronger and stronger till they're before your eyes. You'll come back, when it's over, no need to say good bye. I'll come back when you call me no need to say good bye.
