# Mad Lib Wedding Advice for the Happy Couple

Dear Tayler and David,

When I first heard that you were getting married, I shouted "Exclamation!" You two make the Adjective - Ends in EST couple and I am so Emotion for you! My Adjective - Ends in EST pieces of advice? Never Verb when you are Emotion - Ends with Y with each other. Tayler, you should always Verb David's Part of Body. And David, let Tayler know how much you care for her by Verb - Present ends in ING her Part of Body before you go to sleep. I wish you health, happiness, and Noun for the rest of your lives.

With love,
