Grandma's Adventure

Grandma Reeve was a Adjective woman. She had so many Noun - Plural, she could hardly count them all. One day she decided to go for a walk. She had just left her Noun, when one of her many grandchildren ran up to her. "Grandma! Emma and Justin and Ashley are all stuck in a big Noun!" So Grandma Reeve followed Hunter to the big Noun. She didn't know what to do until she saw the Animal Verb - Present ends in ING nearby. She grabbed his Part of Body and pulled as hard as she could. the Part of Body stretched into a long rope, and she used it to pull the children out. They ran up to Grandma and hugged her very Adjective. They asked her how she knew to pull the Animal Part of Body into a rope. she said, "You learn a lot when working on a farm. Let's go home and have some Noun!" THE END
