Guys, I want to talk about           Noun - Plural          ! They are just so           Adjective           and           Adjective           and           Adverb          ! Don't you agree?! I mean,           Noun - Plural           are always doing           Adjective                     Noun - Plural           and getting into           Adjective                     Noun - Plural          . I love when they           Verb           their           Noun - Plural           and           Verb                     Adjective                     Noun - Plural          . And then they           Verb - Non 3rd Person Singular Present          . Oh boy do they           Verb          . They           Verb - Non 3rd Person Singular Present           all day long. Come on, admit it. You love           Noun - Plural          , too!
