# How Pokemon Got Created And Some!

Yay, screamed Name 1. We're finally here in Location. I cant wait to Verb all the children and dogs. Well I cant wait to Verb the food too. Meanwhile as Name 1 was Verb ending in ing. Name 2 was Verb ending in ing. Finally as Name 1 Decided to skydive Name 2 decided to skii. But as Name 2 fell Name 1 was heading on the same Location. As they collided they both said Exclamation. When they woke up they were an Animal. So they celebrated by Verb each other. Then they finally ran off to Location and Verb everything they saw! And so thats when they reproduced it created POKEMON!!!!!!!!!! As pokemon kept producing it created Noun. And even more Location As pokemon became popular so did Verb ending in ing Plural noun.
