Hello

put me in the oven to bake.	
Me a and miserable cake.	
Feeling the Noun I started to bubble.	
Watching the others I knew I was in trouble	
They opened the door I started my life	
Frosting me with a silver knife.	
Decorating me with jewels.	
The rest of my batch looked like fools.	
Lifting up, she took off my wrapper.	
Feeling the breeze, I wanted to slap her.	
Opening her mouth with shiny teeth inside.	
This was the day this cupcake had died.
