First Day in Mrs. Weiss's Classroom

Today was the first day of school. I was a little _____ Adjective - Feeling because I'd heard some _____ Adjective rumors about our new 7th grade English teacher.

Don't get me wrong - some kids thought that Mrs. Weiss was _____ Adjective, but there were many who thought she was the _____ Adjective - Ends in EST teacher they'd ever met.

Some kids who had her as a substitute last year told us how she would _____ Verb _____ Adverb to the front of the classroom and _____ Verb _____ Adverb to get the class's attention. When a student got out of line you could count on Mrs. Weiss to _____ Verb _____, then _____ Verb _____ Adverb. But most of the time, Mrs. Weiss was very _____ Adjective.

So you see, many of us were a little _____ Adjective - Feeling when we first entered the comfortable classroom.

The room was decorated with _____ Adjective _____ Noun - Plural and _____ Adjective _____ Noun - Plural.

The desks were arranged in a _____ Geometric Shape. There was even a _____ Noun hanging from the ceiling.

But what I noticed first was what the _____ Adjective teacher was wearing. I don't know about the other kids, but I have never seen a teacher wearing pants that shade of _____ Color. The outfit looked like something off of _____ Movie or TV Show.

Some of us weren't sure whether to _____ Verb _____ or _____ Verb _____, but we were _____ Adjective _____ and she didn't seem to notice our suppressed _____ Noun - Feeling _____.

Whatever they say, one thing is for certain : this is going to be a(n) _____ Adjective _____ year in Mrs. Weiss's class !
