# The Bus to Western

One Adjective day, there was a Adjective boy named Landon, off to visit his Adjective girlfriend Sydney at her university, Western. He took a Adjective, Adjective bus, but didn't realize the adventures the bus had in store for him! Beside him, sat an Adjective boy named First Name of a Person, who let his pet Animal sit on his lap the entire ride, Verb - Present ends in ING it the whole way. Behind him sat a Adjective girl who Verb - Past Tense his chair and Verb - Past Tense in his Adjective hair. In front of him sat his School Subject Professor who kept turning around to talk to him about Noun. Landon was annoyed already, then all of a sudden Full Name of a Person yelled Verb - Base Form! A Animal had run onto the road and almost got hit by the bus. Before Landon knew it, there was a whole class of Number year olds climbing on board singing Song and making Animal noises. Landon was ready to get off and see his Adjective girlfriend. Luckily, in no time, the bus turned into Western and Landon got off, escaping the crazy adventures of the bus!
