# Deirdre

Deirdre Calvert is a Licensed Independent Clinical Adjective Worker and a Licensed Alcohol and Drug Counselor with over 20 years experience in the field. Before coming to Prakash Ellenhorn, Deirdre was the director of a private Program for Assertive Community Treatment team. She has also directed the largest methadone clinic in the Northeast, was Director of the Dual Disorders/ Outpatient Addictions program at the Cambridge Health Alliance, and Supervisor of the state program for pregnant addicted women. In addition to having her Master's in Social Work from Boston University, Ms. Calvert was trained in Dual Disorders and Evidenced Based Practices through Dartmouth Psychiatric Research program. She has extensive experience working with clients using the Psychosocial Rehabilitation Model. Ms. Calvert has given many presentations on Women and Addiction, Dual Disorders, Methadone and HIV, and evidenced based practices.
