# Fury's Day

Fury woke up feeling very Adjective. "I sure do feel Adjective today!" He then walks over to Clumsy who is trying to open a jar of Noun - Plural with his Noun - Plural. " what the Noun are you doing?" Asked Fury. "I'm trying to get this jar open! Do you know how I can get it open?" Said Clumsy. "well why don't you try the old Noun Noun?" "Are you sure that will work?" Said Clumsy. ' Sure it will! Well, I'm off then!"
