# #FOOOOOOOOOOOOD

"Oh no! \_\_\_\_\_ First Name of a Person is dying of starvation because of the lack of nutrition in France." I said happily.

Since the year \_\_\_\_\_ Year, the government has stolen many of our fields causing us to be unable to harvest our vegetables and crops. It has been getting harder to feed ourselves as pollution in this world has destroyed our farm land terribly. We only get 9999999999999999991 handfuls of rice for jumping and kicking for a second. 9999999999999999991 handfuls of rice are \_\_\_\_\_ Adjective, yet \_\_\_\_\_ Adjective and \_\_\_\_\_ Adjective somehow. I had to slap and kick to wake \_\_\_\_\_ Noun today. I had to do all the kicking for the rice today. I felt \_\_\_\_\_ Adverb heavy. \_\_\_\_\_ Noun was healthy today. We killed the \_\_\_\_\_ Noun and some guards while they were taking crops from my friend \_\_\_\_\_ First Name of a Person, he is usually \_\_\_\_\_ Adverb \_\_\_\_\_ Adjective. he likes drinking Slurpies with his dog and beaver. Slurpies are his favourite food. After that we ate ice cream and marshmallows and stuff for breakfast.

DA END

PS: \_\_\_\_\_ First Name of a Person SAYS "HI!" AND SOS HIS \_\_\_\_\_ Animal IS EATING HIS \_\_\_\_\_ Animal AGAIN LOL.
