My First Date with a Boy

One _____day of the week_____, I got a call from a boy at school.

"Hi! My name is _____First Name of a Person_____ _____last name of a person_____," he said. "I think you're really _____Adjective_____! Want to go out _____day of the week_____ night?"

"Sure!" I said and hung up. I was feeling so _____emotion_____!

Suddenly the night had come! He drove up my driveway in his _____type of car_____, picked me up, and then we drove to the _____Location_____ downtown. His car had a _____color_____ dashboard, a _____color_____ steering wheel, and a license plate that said _____TV show_____.

Then he turned on the radio. It was our favorite _____style of music_____ song!

"_____exclamation_____!" I said. "You are so _____Adjective_____!"

We both _____Verb - Past Tense_____ as the song continued and we were having so much fun, but all of a sudden, **Repeat Last** First Name of a Person_____ stopped paying attaention to his driving. Before we knew it, the car ran over a _____Adjective_____ _____Noun_____ in the middle of the road and broke down.

"_____exclamation_____!" I screamed. "It's Over!"

With that, I _____Adverb_____ got out of the car and slammed the door. Unfortunately, that means it will probably take me _____Number_____ days to walk back home!
