Turner

This interior renovation project came to light through Turner Construction's _____Noun_____ to have an _____Noun_____ environment that reflected the strong and successful company they have grown to be. Together in a Design-Build delivery, we collaborated with Turner to reimagine their new Columbus _____Noun_____. With site selection narrowed down to three potential existing buildings, the decision was made to renovate the historic Hanover Building in the Arena District, previously left as an _____Verb - Past Participle_____ warehouse for 20 years. This site and its challenges _____Verb - Past Participle_____ the perfect stage for a complete interior redesign and most importantly for Turner to showcase what _____Pronoun_____ do best, construction and renovation.
