Minecraft is a computer game that is very _____Adjective_____ among _____Adjective_____ people now. The game

features a character named _____First Name of a Person_____, whose goal is to find resources like wood, _____Noun_____,

and food. Besides finding the things he needs to survive, Steve must also watch out for Zombies,

_____Noun - Plural_____, and Skeleton Archers. Steve has a rather _____Adjective_____ look, and the world is made of

_____Noun - Plural_____. Some people are turned off by the chunky look of the graphics, but I think it looks

_____Adverb_____!

The game can be played in either survival mode or _____Adjective_____ mode. Many people enjoy creative mode

because you can build and explore without being _____Verb - Past Tense_____ by hostile mobs! Other players prefer

the challenge of trying to keep alive in survival mode. The game is so popular, you might see Steve's

_____Noun_____ on t-shirts, mugs, or _____Noun_____!
