# The Missing Shoe

One day, as I was walking down the \_\_\_\_\_ Adjective street, a \_\_\_\_\_ Adjective stranger ran out of the \_\_\_\_\_ Noun on my left, sprinting toward me. Before I could move out of his way, I was thrown \_\_\_\_\_ Adjective to the ground. The stranger jumped over me and continued running \_\_\_\_\_ Adjective down the \_\_\_\_\_ Adjective sidewalk. Three \_\_\_\_\_ Adjective police officers burst from the same \_\_\_\_\_ Adjective store; I curled myself into a \_\_\_\_\_ Adjective ball, hoping they wouldn't trip and fall on top of me! I watched with surprise as the \_\_\_\_\_ Adjective police officer closest to the runner suddenly stopped, leaned down and took off one of his \_\_\_\_\_ Adjective shoes! He pulled back his \_\_\_\_\_ Adjective arm slowly, aimed carefully, and THREW his shoe toward the running man. My mouth dropped open in shock as I watched the shoe sail through the air like a \_\_\_\_\_ Adjective football, only to SMACK into the man's \_\_\_\_\_ Adjective back, knocking him to the ground. The shoe had stopped the man in his tracks! The police officers quickly caught up to the man and arrested him on the spot. Why was he arrested, you ask? He was the crime boss for illegal \_\_\_\_\_ Adjective transportation! How about that?
