Spooky Library

I went down to the Eden Prairie Library on a Adjective	_ night. I wanted to read about,
but when I got to the desk a Adjective Monster	_ was there instead of the librarian! I closed my
and counted to then I asked n	ny question: Where can I find books on
Noun - Plural ? It let out a mighty Exclamation are	nd from behind the desk. It
waved it's around my head and the book appe	ared right in front of my When
I looked up the creature had vanished and I	was outside my! Was it all a
dream or am I?
