# Technomics Overview

Technomics is an \_\_\_\_\_ Adjective consulting firm that has been offering a range of decision support analysis services to the \_\_\_\_\_ Acronym and other federal clients for 30 years. Located in Arlington, VA and \_\_\_\_\_ City, Technomics' professional service offerings, anchored by our core area of expertise of cost estimating and cost analysis of \_\_\_\_\_ Adjective systems, are aimed at helping our clients make Better Decisions Faster.

Better decisions means that we apply data-driven and \_\_\_\_\_ Adjective approaches to achieve practical, credible and \_\_\_\_\_ Adjective results offering actionable \_\_\_\_\_ Noun - Plural. We are able to achieve these results faster because we are able to apply multidisciplinary talent, subject matter experts, and tangible and repeatable assets such as \_\_\_\_\_ Noun - Plural, models, approaches and techniques. Additionally, we are able to continuously grow our talent organically through our own training institute - \_\_\_\_\_ Acronym.

Our company, incorporated in \_\_\_\_\_ Year, began as a two person company providing cost research and modeling support to a small number of \_\_\_\_\_ Organization clients. Over the years, both our client list and professional service offerings have expanded. Today, we are a company of more than 75 highly skilled \_\_\_\_\_ Profession - Plural providing a wide array of support to all three Military Departments and the Office of the Secretary of Defense (OSD), as well as a number of Federal \_\_\_\_\_ Adjective agencies.

Our

employees are the primary contributor to our success. They are the core of the company, and range from senior consultants, with           Noun - Plural           of experience, to junior consultants who have joined us immediately after           Verb - Present ends in ING           from college. Our skilled staff has a variety of           Adjective           backgrounds and educational disciplines providing an appropriate breadth of           Noun           and experience for accomplishing the varied tasks we provide for our clients.

Our clients include many of the most           Adjective           and respected cost analysis organizations throughout the federal government, as well as DoD system           Proper Noun - Plural           and program management organizations, and private industry. These clients have come to depend on our expertise to assist them in making           Adjective           decisions.
