# In the Office

In my office there are many           Noun - Plural          . My assistant 's           Noun           is right next to my desk. My desk is           Adjective          . My desk 's color is           Adjective          . My computer is new and is very           Adjective          . My old computer was           Adjective          .

It is nice to have a           Adjective           office. The office has           Adjective           floors. Its walls are           Adjective          . Its ceilings are           Adjective          . It's very           Adjective           because of the           Adjective                     Adjective                     Noun          . I also have a lot of           Noun          .

Rita is my           Noun          . Rita's desk is very           Adjective           and is next to the           Noun          . My boss is nice but Rita's boss is           Adjective          .
