Benny the Knitter

Once upon a time, there was a <u>Adjective</u> monster named Benny. Benny was a very <u>Adjective</u> monster, and instead of <u>Verb - Present ends in ING</u> people, he loved to knit! He was very talented at his craft, and every Christmas he made <u>Adjective</u> <u>Noun</u> and <u>Noun</u> for all of his monster family and friends. But those that were closest to him were not always kind to Benny. Benny was <u>Adjective</u>, and liked different things, so often he was made fun of by the other orange and <u>Adjective</u> monsters his age. Benny tried not to have his feelings hurt, but sometimes their growling words and <u>Verb - Present ends in ING</u> claws really got to him.

To be continued. Poor Benny.
