Knife skills

There once was a master Noun named Proper Noun Proper Noun. He was the greatest in the world. He came into the St. Noun - Plural high school to demonstrate Verb - Present ends in ING skills. The kids were overjoyed to meet this famous man. He talked about the different kinds of knife. Such as a chefs Noun, paring knife, serrated knife. He told us the most widely used knife was the chef's knife. It was great for multi-purpose use, for Noun, slicing, and chopping a variety of foods. He talked about the different types of handles such as wood, plastic, stainless steel. Adjective - Ends in EST is a good handle for it does not get slippery however he can absorb microorganisms. Verb - Present ends in ING steel is a good handle because it doesn't absorb Noun - Plural but it can become quite slippery. Finally he showed us the different Verb - Present ends in S in cutting. There are types like the Adjective - Ends in EST which can be further cut into a Noun. Then there is the Noun which can be further cut down into a small Noun - Plural. They are many differetn cuts he taught us and he put on to the test. Make sure you are very familiar with all these knife skills and Verb - Present Tense techniques cause at any moment you Noun could put your skills to the Noun!
