# Summer 2014 Release: Christy Edition

When I first heard Christy was leaving, I was EMOTION and shouted INTERJECTION! I ran to CO-WORKER and said lyrics from song. She replied, MOVIE QUOTE. We knew we were in trouble, because Christy was the only one who was any good at Verb - Present ends in ING. I shook my Part of Body in Adjective. It's been so Adjective working with Christy. I would always remember her as a mythical creature. If I could give one piece of advice: always advice, and never let Verb - Base Form your Noun. Oh! And before you go, I always meant to tell you that your possession is in specific DCSC Office Location, but it kept slipping my mind. Sorry, and good luck!
