wtf

Allow me to \_\_\_\_\_ Verb myself...

My name is \_\_\_\_\_ Proper Noun, otherwise known as "The \_\_\_\_\_ Proper Noun". I am a \_\_\_\_\_ Noun, a  
\_\_\_\_\_ Noun, and someone who \_\_\_\_\_ Verb - Present ends in S \_\_\_\_\_ Adverb in True \_\_\_\_\_ Noun.

Now, I will begin \_\_\_\_\_ Verb - Present ends in ING this entry before I post the actual article... for your discussion, of  
course.

\_\_\_\_\_ Noun MUST and WILL have \_\_\_\_\_ Noun, and this is the ONLY way to achieve TRUE  
\_\_\_\_\_ Noun. The \_\_\_\_\_ Noun of all males, which produce the majority of their \_\_\_\_\_ Noun, are the  
primary cause of their \_\_\_\_\_ Adjective \_\_\_\_\_ Noun. The \_\_\_\_\_ Noun also \_\_\_\_\_ Verb - Base Form  
\_\_\_\_\_ Adverb to many of the health \_\_\_\_\_ Noun - Plural men experience later in life (such as prostate cancer  
and, of course, testicular cancer).

~:The \_\_\_\_\_ Noun... International \_\_\_\_\_ Noun Day::~~

It is my \_\_\_\_\_ Noun (which I consider factual based on my research) that all men SHOULD be  
\_\_\_\_\_ Verb - Past Tense. Not only for their own safety, but for the safety of all \_\_\_\_\_ Adjective women and  
children.

And, to \_\_\_\_\_ Verb - Base Form this...

The entire \_\_\_\_\_ Noun should have an international holiday known as: " \_\_\_\_\_ Noun Day"

\_\_\_\_\_ Noun of all ages will be brought to the public squares of their \_\_\_\_\_ Noun nude, to \_\_\_\_\_ Verb -

\_\_\_\_\_ Base Form together in a circle, as they await castration by a woman known as "The \_\_\_\_\_ Verb - Past Tense ",

who will be a \_\_\_\_\_ Noun chosen from the public much like a \_\_\_\_\_ Noun.

\_\_\_\_\_ Noun of all ages will \_\_\_\_\_ Verb - Base Form, lining the streets to cheer and applaud the males as they

join the rest of \_\_\_\_\_ Adjective \_\_\_\_\_ Noun.

It will be a free \_\_\_\_\_ Noun for any working \_\_\_\_\_ Noun. And, young girls will be able to leave school to

attend this glorious \_\_\_\_\_ Noun.

The \_\_\_\_\_ Noun will then have one hour to get to know their Castrator. Their female " \_\_\_\_\_ Noun " will

also be able to choose whether or not they would like to \_\_\_\_\_ Verb - Base Form the male in order to retain a

\_\_\_\_\_ Noun sample.

If the male is too young for a " Noun ", their Noun or closest female relative will Verb - Base Form.

After this, the men will be given Noun. They will be placed on a Noun, where their Castrator will then slice open their Noun, remove their Noun, and the excess Noun, Verb - Base Form them up and clean them up.

They will be given number minutes to rest after the Noun.

Once the Noun have all been Verb - Past Tense, they will be Verb - Past Tense together again for one last look before Verb - Past Tense nude back to their Noun.

The Noun will then return to their Noun - Plural, Noun - Plural, et cetera, and rejoice in the completion of yet another Adjective ceremony.

Any man who tries to evade this holiday, " Noun Day", should be Verb - Past Tense wherever they are found (treated as a criminal, as it will be a crime not to attend). Or, forced to attend.

Regardless of age.

Any

woman who \_\_\_\_\_  
Verb - Past Tense should be provided therapy in order to free her from misogynistic indoctrination.

This holiday should replace the day known currently as " \_\_\_\_\_  
Proper Noun Day".

If this \_\_\_\_\_  
Noun were adopted \_\_\_\_\_  
Verb - Base Form all across the \_\_\_\_\_  
Noun, all \_\_\_\_\_  
Noun, \_\_\_\_\_  
Noun, and \_\_\_\_\_  
Noun would end.

We would have a true \_\_\_\_\_  
Proper Noun, where peace reigns, and men do only what they exist for...

\_\_\_\_\_  
Verb - Past Tense.

\_\_\_\_\_  
Verb - Base Form.

\_\_\_\_\_  
Verb - Base Form.

\_\_\_\_\_  
Verb - Base Form.

Likewise, the change of their \_\_\_\_\_  
Noun would make them less \_\_\_\_\_  
Adjective, and thus less likely to \_\_\_\_\_  
Noun.

It would also provide them with better \_\_\_\_\_ Noun throughout their \_\_\_\_\_ Noun, as the \_\_\_\_\_ Noun are  
a major cause of health issues in males as they age.

All will \_\_\_\_\_ Verb - Base Form from this...

And, I \_\_\_\_\_ Verb - Base Form this will come to be someday soon.

Thanks for your consideration!
