Six Nations is a great place to live

Six Nations is a great place to live. We have so much history and culture, amazing talent, and good minds. Bu
there's still a lot of interesting information about our community that people don't know. For example, did you
know that there are bands registered to Six Nations of the Grand River? They include the Bay
of Quinte Mohawk, Tuscarora, Oneida, Onondaga Clear Sky, Bearfoot Onondaga, Upper Cayuga, Lower
Cayuga, Konadaha Seneca, Niharondasa Seneca, Delaware, Lower Mohawk, Walker Mohawk, and Upper
Mohawk.
Six Nations covers townships. They are Tuscarora, Oneida, Onondaga, and the City of
Brantford.
We also have a hard working Health Services department that keeps our community safe. Actually, there are
different types of Health Professionals working for Health Services.
