Friendship: In Of Mice and Men, friendship and loyalty are a huge source of plot complication as well as

_____part of the plot chart noun_____. The bottom line is that when times get _____adjective meaning hard_____, friends can make

it better. It became evident to me who would be a good friend in the story when I saw how the person treated

everyone, their boss, peers, and those of a lesser social status than them. An example of a "nice guy" is

_____character proper noun_____ because he looks out for everyone. We meet Slim in chapter 2, and he quickly became

my favorite character. He also defended Lennie on page 38 when George was _____verb meaning being rude_____ him.
