# Hot summer days

Once a pun a time, There was a dog named Lager. He was always lost in the Noun. Then, one Noun, somebody riding on a camel picked him up. The man went back to his home to eat lager for diner. His wife said, "No! I think we should make it our pet!" and all the children shouting, "Make him as our pet ! Make him as our pet!" So, the man agreed. After Number years, lager was named regal. He was now 12 doggy years old! Then, he always tear up things. The man was always wondering, "Where's my Noun - Plural? Where's my Noun - Plural?" while Proper Noun was tearing it up. The man finally gave up. He took regal to the Noun Adverb he once lived.
