Once there were two travelers named Boogie and McGowan. They were Adjective and Adjective because they had traveled for many, many days. Then they saw a small village called Proper Noun. They were happy when they saw the Noun, so they ran as fast as they can to a Noun. They had stayed there for a Noun now. Then they finally left the hotel. Then they saw a bunch of sprinklers that they never saw before. One of them said Touch, and you will become the greatest of all. and the one right next to it said Touch, and you will become the worst of all. "Whoa! I've never seen that before!" said Boogie and McGowan. Both of them wondered. "Maybe this thing is trying to trick us." Boogie said, being really Verb - Past Participle. "Maybe not" McGowan said, taking a photo of the two sprinklers. "I agree" said Boogie, with a smile. Then they touched the Greatest of all sprinkler, but just before, McGowan saw another sprinkler that said You two cannot touch one sprinkler at he same time, otherwise you both would face a deadly consequence. Boogie did not notice the other sprinkler. So he touched it. He and the sprinkler Verb - Past Participle. Then a ship came over McGowan. He was very worried now. The ship landed one inch beside him." One of the people come out of the ship and said with a deep Noun voice, "Come out, or you will face a deadly consequence!" He peeked out. They were huge when he saw them, and it wasn't like there was one of them, there was a whole bunch of them! The people took him on there ship. He was so Verb - Past Participle, he might have 939,943 heart attacks. They

put him in a teeny weeny little room. After exactly \_\_\_\_\_ Number days, \_\_\_\_\_ Number hours, \_\_\_\_\_ Number minutes and \_\_\_\_\_ Number \_\_\_\_\_ Noun - Plural, he met a person named Gaddafi. He was as tall as a tree. He showed him the experiments he did, showed the valuables he had, and so on. He offered him McGowan's soul for the {[S.U.B]}. "Well..." He said. Boogie came flying into the room. "I thought it said that I would be the greatest of all!" said Boogie. "Boogie?!? where have you been???" he said. "Its a long story." Boogie said it just before they took him away. "No!" McGowan said. Gaddafi spun him around so he would face him. "So? Yes or No. It is a simple question." he \_\_\_\_\_ Verb - Past Tense. "Well" he said. "I would like to say yes but I have to say ... " "Oh. I forgot to tell you this" Gaddafi interrupted. "You cannot say no." "Why not?" he asked. "Well, if you say no, you will be chained." "But, that's \_\_\_\_\_ Adjective!" "Of course its unfair! Were \_\_\_\_\_ Adjective!"

Gaddafi said. "I'll tell you what" he said. "You will ask me 1 question, then ask me another question, or a task. If the question I couldn't answer or a task I couldn't preform, your \_\_\_\_\_ Noun will go right back to where you are now." "Oh, and by the way" he said. "I know everywhere! I can travel to the Andromeda galaxy in a millisecond. From here to Alaska is like a nanometer to me! So, what is your question." "OK" McGowan said. "Where do you come from?" "FROM HELL!!!" he said. "\_\_\_\_\_ Interjection. This is not a task. It's a command!"

"OK." Gaddafi said, eating a hell \_\_\_\_\_ Noun. "Get lost." "WHAT?" he said. "I \_\_\_\_\_ Verb - Past Tense get lost !" "NO! NO NO NO NO NO NO NO \_\_\_\_\_ Determiner!!!!!!!!!" he said, disappearing. "\_\_\_\_\_ Proper Noun!"
