The letter N

Everybody was struggling up the Noun. Even me. I mean, Adverb keeps saying, "Hurry up you slowpoke!" and I keep saying, "Shut up!" After 30 minutes, we finally got up to the top. While everyone was out of breath, I kept dancing. Even Proper Noun was surprised. "Why aren't you tired like the rest of us!" he said. Being Adjective, I said, "Well, you did something unusual, so why don't I do something unusual, huh?" "Oh yeah" Yeti said, "What was that?" "Well, you did paint all the walls in your room the letter Proper Noun!" Then, we went home. Again, I teased him about those walls. "Ha! You painted your walls the letter Proper Noun! Ha!" Then, everybody beat me Preposition or subordinating conjunction.
