Good Advice for Your Trip Around the World

When I first heard of Jing's _____ Adjective _____ plan for traveling the world, I TOO QUICKLY thought: Whoa, this girl is _____ Adjective _____! But knowing Jing, it all makes sense.

Jing is one of the most _____ Adjective _____ women I've ever met. Just check out her Facebook page and you'll see pics of her climbing tall BANANAS and playing with dangerous CORGIS. She's told me _____ Adjective _____ stories of past trips to South America and Southeast Asia, and she even promised me we'd travel to PRIDE ROCK together one day. Yep, this girl's been ready for this trip since the day she QUIT HER JOB.

Now Jing, I'm sure well-meaning people like BABE have ABRUPTLY offered you all their personal travel advice. But in my SCHIZOPHRENIC opinion, these are the only tips that ensure your trip is as _____ Adjective _____ as can be.

Definitely eat the local POOP. You'll be so _____ Adjective _____ you tried it, and really, the worst that could happen is a night or two on the floor of a PRISON CELL.

Take lots of photos! Put your selfie stick to good use and take pics with infamous ex-pats like KANYE if you can spot them. And when you get back, I'll be expecting at least one photo of you SULKING the DONGLE.

Don't disappoint me!

Make a bucket list. For example, ever since I've known you, you've always wanted to try SELFIE-ING.

Apparently in ECUADOR, it's high season for exactly that, so you'll want to set aside at least 50 CENTS to do it while you're there. I guarantee you'll be _____ Emotion _____ if you don't!

Don't forget to splurge a little. Aim for sticking to a budget of 1 CENT per day, but when it comes to things like DROWNING, enjoying a fancy meal of ROTTING WHALE CARCASS or staying in a _____ Adjective _____ hotel every once in a while, go for it!

It's inevitable, but when you feel lonely and homesick, just picture me SHAKING back in America. There will be bumps in the road, too, but when the going gets rough, just keep on thinking: GRAB LIFE BY THE BALLS.

And finally, if it's adventure you seek, remember you'll always find it in the DEEP OCEAN TRENCH.

Godspeed! Wishing you 1 awesome memory, lots of laughs and amazing TOENAIL CLIPPINGS on your journey. Have the most _____ Adjective _____ trip ever!

Love,

MICHAEL
