## Silly song #2

There's always that Number Noun		
That will always have your heart		
You never see it Verb - Present ends in ING		
Cause you're from the start		
Know that you're that for me		
It's for everyone to Verb - Base Form		
Ooh baby ooh you'll be my boo		
[Alicia intro:]		
I don't know bout you all		
But I know about us and uh		
It's the only way		
We know how to		
I don't know bout you all		
But I know about us and uh		
It's the only way		
We know how to Verb - Base Form		

[Usher Verse:]
Do you remember girl
I was the one who you your number Noun
Cause I remember girl
I was the one who said put your like this
Even before all the fame and
Noun - Plural screaming your name
Girl I was there when you were my
[Chorus (Usher):]
It started when we werenumber
You were mine myNoun
Now another taken over
But its still in your my boo
Even though we used to it's alright
I know we haven't each other each other
In awhile but you will always be my
[Alicia:]

was in with you when we werenumber
You were mine my boo
And I see it from time to time
I still like my boo
And I can see it no matter
How I try to my boo

You will always be my
