My Very First Boy Freind

My name is your name. I am so emotion. boy name had just asked me out! I waited Number years for this moment. It all started in school subject class. He was sitting in front of me, when he dropped his Noun on the floor. I picked it up for him and he said "thanks". It was love hate at first sight. We have Verb - Base Form on and off since then, but he had a girlfriend. Well, yesterday he Verb - Past Tense her!!!! I was so emotion. Then this morning when I got on the transportation, he asked me to be his girlfriend. Of course I said yes no!!!
