My Boyfriend and I!

I have a boyfriend named male name. He is Adjective, Adjective, and so Adjective

! I met him Number years ago when we were both in the place at a college at college. He started to

sing song title by artist of that song, and I was hooked! "exclamation!" I said Adverb.

"You have a/an Adjective singing voice!" After that I sang him a song by my favorite singer,

different singer. Then we started Verb - Present ends in ING and Verb - Present ends in ING together,

and in Year, he finally asked me to be his girlfriend. I was so Adjective! My favorite memory

since that time is when we were at the Location together. We held plural body part and

Verb - Past Tense for Number minutes straight. I am so lucky to have a boyfriend like him! We

Verb - Base Form each other so much, and I hope we stay together Adverb!
