## the weirdo on the mountain climb

There I was was racing up a mountain with many people with enormous \_\_\_\_\_  
country. One of the U.S.'s \_\_\_\_\_ was in control of that specific mountain. There was a(n) \_\_\_\_\_  
just in case there was an accident. I was getting a little bit nervous wondering if somebody might \_\_\_\_\_  
me. That was totally illegal and if someone did they'd probably have a word with \_\_\_\_\_. I noticed i was  
making good \_\_\_\_\_ and I was \_\_\_\_\_ making it up the mountain. Mountain climbing can be an  
extremely dangerous sport if you don't \_\_\_\_\_ from mountain climbing school. My \_\_\_\_\_ was a  
long time ago and I was almost an expert at it. Everyone at that school would always \_\_\_\_\_ me and put  
me down. I finally came out of my thoughts and saw a competitor down to my right who would just  
\_\_\_\_\_ back and forth and just look lost. Finally he sat down, got out a piece of paper from his backpack  
and wrote a title. I could see that he would often \_\_\_\_\_ and write something random. He finally finished  
and i saw there was lots of \_\_\_\_\_ everywhere on the paper. Suddenly, he started running towards a rock  
with what looked like \_\_\_\_\_. He reached the rock screamed the insurance company name "  
\_\_\_\_\_ " at it and then made a \_\_\_\_\_ decent down the mountain. I started to wonder on his  
\_\_\_\_\_ down the mountain and suddenly realized maybe he wasn't a competitor. I started to  
\_\_\_\_\_ down the mountain also, losing all my \_\_\_\_\_ to the top of the mountain. there was a  
\_\_\_\_\_ change in the weather and it started raining. I finally found him and called the police. They  
found out he was a person who had disappeared into the mountains months ago and it was a miracle he was alive  
. I may have lost the race but i saved a person's life.
