# Don't be late for turkey day!

Thanksgiving \_\_\_\_\_ Verb - Past Tense bright and sunny. Grandma woke early and said, "I better get the \_\_\_\_\_ Verb - Past Tense in the oven!" So she went downstairs into the kitchen, she opened the refrigerator. "There you are," she said to the turkey, which had been thawing these past few days. With a heave, she plunked it on the counter, she and rubbed the four seasonings over its skin: parsley, sage, rosemary and thyme. Then she took a stick of butter and rubbed butter all over it, massaging it in.
