Hello All,

I hope everyone's having a \_\_\_\_\_ Noun weekend. We are starting the ascent into our final project for the semester and I'm a bit worried that we're not gathering enough \_\_\_\_\_ Noun to make it over the hill. So I am \_\_\_\_\_ Verb - Present Tense this with a series of \_\_\_\_\_ Noun - Plural for Tuesday's class.

I want everyone to come to class with a fleshed out idea for their final project and comprehensive plan of action.

That means:

- a concept for creating an \_\_\_\_\_ Adjective and engaging final site.
- visual iterations of your site including digital sketches. and a \_\_\_\_\_ Adjective structure for your site
- a plan of action for how you will be coding this site.

\_\_\_\_\_ Noun to class ON TIME and \_\_\_\_\_ Verb to show it to me and your peers.

Ali
