9. Preposition Or Subordinating Conjunction
10. Preposition Or Subordinating Conjunction
11. Preposition Or Subordinating Conjunction
12. Body Part

Decemberfest 2014

'Twas the night before Proper Noun, when all through the Noun

Not a Verb - Past Tense was stirring, not even a Determiner;

The Verb - Past Participle were hung by the Noun with care,

In hopes that St. Proper Noun soon would be there;

The Verb - Past Tense were nestled all Preposition or subordinating conjunction in their Preposition or
subordinating conjunction;

While visions of Preposition or subordinating conjunction danced in their Body Part;

And mamma in her 'kerchief, and I in my cap,

Had just settled our brains for a long winter's nap,

When out on the lawn there arose such a clatter,

I sprang from my bed to see what was the matter.

Away to the window I flew like a flash,

Tore open the shutters and threw up the sash.

The moon on the breast of the new-fallen snow,

Gave a lustre of midday to objects below,

When what to my wondering eyes did appear,

But a miniature sleigh and eight tiny rein-deer,

With a little old driver so lively and quick,

I

knew in a moment he must be St. Nick.

More rapid than eagles his coursers they came,

And he whistled, and shouted, and called them by name:

"Now, Dasher! now, Dancer! now Prancer and Vixen!

On, Comet! on, Cupid! on, Donner and Blitzen!

To the top of the porch! to the top of the wall!
