# Sonnet: To Science

Science! true \_\_\_\_\_  
Noun of Old Time thou art!

Who alterest all things with thy peering \_\_\_\_\_  
Adverb.

Why preyest thou thus upon the poet's heart,

Vulture, whose \_\_\_\_\_  
noun are dull realities?

How should he love thee? or how deem thee wise,

Who wouldst not leave him in his wandering

To seek for \_\_\_\_\_  
Determiner in the jewelled skies,

Albeit he soared with an undaunted \_\_\_\_\_  
Adverb?

Hast thou not dragged Diana from her car,

And driven the \_\_\_\_\_  
Verb from the wood

To seek a shelter in some happier \_\_\_\_\_  
Proper Noun?

Hast thou not torn the Naiad from her flood,

The Elfin from the green grass, and from me

The summer \_\_\_\_\_  
noun beneath the tamarind tree?
