Sonnet-writing: To Himself

_____ Adjective men should not write _____ genre of poetry plural _____, if they dream
Some day to reach the bright bare seats of fame:
To such, _____ Adjective thoughts and _____ Adjective feelings seem
As though, like foreign _____ Noun - Plural _____, they rarely came.
Eager as men when haply they have heard
Of some new songster, some gay-feathered _____ word that rhymes with heard _____,
That hath over _____ color _____ seas strayed in hope to find
In our thin foliage here a _____ season _____ home
Fain would they catch the bright things in their mind,
And cage them into _____ genre of poetry plural _____ as they come.
No; they should serve _____ Adjective _____ wants most sparingly,
Till the ripe time of song, when young thoughts fail,
Then their sad _____ genre of poetry plural _____, like old bards, might be
Merry as youth, and yet grey-haired and hale.
