"Sonnet-writing: To Himself" Huzzah!

Young plural single-syllable type of person should not write type of two-syllable literary work, if they dream

Some day to reach the bright bare seats of fame:

To such, sweet thoughts and mighty feelings seem

As though, like two-syllable adjective things, they rarely came.

Eager as men when haply they have past tense verb rhymes with symbolic noun in next line

Of some new two-syllable noun, some three-syllable adjective noun symbolic of previous noun,

That hath over blue seas strayed in hope to find

In our thin type of three-syllable dwelling here a summer type of single-syllable dwelling

Fain would they catch the bright plural single-syllable noun in their single-syllable noun rhymes with the last word

from the previous line,

And Verb - Base Form them into same type of two-syllable literary work as they come.

No; they should serve their single-syllable plural noun most three-syllable adverb,

Till the ripe time of song, when young thoughts fail,

Then their sad sonnets, like old bards, might single-syllable base form verb rhymes with previous adverb

two-syllable adjective describing emotion as youth, and yet three-syllable adjective and single-syllable adjective

rhymes with fail.
