7. Mythical Creature
8. Three Syllable Adjective

Sonnet--?To Science by Edgar Allan Poe

_____! true daughter of Old Time thou art!

Who alterest all things with thy peering eyes.

Why preyest thou thus upon the poet's heart,

_____, whose wings are dull _____?

How should he love thee? or how deem thee wise,

Who wouldst not leave him in his wandering

To seek for treasure in the jewelled skies,

Albeit he soared with an undaunted wing?

Hast thou not dragged _____ from her car,

And driven the Hamadryad from the wood

To seek a shelter in some happier _____?

Hast thou not torn the _____ from her flood,

The _____ from the green grass, and from me

The summer dream beneath the _____ tree?
