9. Location
10. Adjective - Ends In Est

Sonnet to Science

_____! true daughter of Old Time thou art!
Who alterest all things with thy _____ eyes.
Why preyst thou thus upon the poet's heart,
Vulture, whose wings are dull realities?
How should he _____ thee? or how deem thee wise,
Who wouldst not leave him in his wandering
To _____ for treasure in the jewelled skies,
Albeit he _____ with an _____ wing?
Hast thou not dragged _____ from her car,
And driven the _____ from the wood
To seek a shelter in some happier star?
Hast thou not torn the _____ from her flood,
The Elfin from the green grass, and from me
The summer dream beneath the _____ tree?
