Bank Robbery

Kimberly valdes valdes 1

The Fail Robbery

Did you hear about the robbery fail in 2010? If not well i can tell you all about it and if you did then you probably still want to read because I'm one of the robbers. It all started on _____Proper Noun_____ 18, 2010. It was Kesha Williams, Rachel Howard, and i (Kimberly Valdes). We went to a lot of banks like Bank Of America, and Wells Fargo, but we decided to go for Chase. Just because it was a small bank and not really surrounded by stores and houses. We wanted it to be facilitate robbery because we never robbed a bank before and we really didn't want to, but we needed to. Later that day, around 12:30 pm I asked Kesha and Rachel to meet me at my house at 1:00pm sharp;they already knew the plan but i just wanted to make sure there wasn't gonna be no mistakes.

"But we don't have a gun..what if the catch us?" Kesha said.

"Don't jinxes yourself" I answered.

"Can i just be the driver because I might mess up or trip" said Kesha.

"Sure why not" I remarked.

So 3:00PM _____Verb_____ _____Verb_____ time we started to head out to the bank (chase). We decided to drive my moms car since we was already at my house also because Kesha and Rachel parents cars were gone. Rachel was pretty intrepid with this _____Noun_____ maybe cause she knows that we need this money really fast before our time is up. Therefore, we start heading in the black corolla with shiny,silver rims. I sat in the passengers seat to

help Rachel,who was sitting in the drivers seat,with the directions.

"I know we need the money but i just cant face the fact that we can get arrested about this;"you guys aren't scared?" Kesha asked.

"Of course I'm scared..I'm terrified..but if we don't make any mistakes or do anything to slapdash then we'll be fine. Now where almost here so please cheer up."

We had 3 minutes until we go to the bank.Then 2 minutes.Now 1 minute. We stepped out the car with our legs shaking like a maraca and our heart pounding faster than a kangaroo hopping. Kesha and I walked in the bank while Rachel(In the beginning you said Kesha would sit in the car) stayed in the car. Kesha walked up to the banker and I was beside her the whole time.

"Excuse me ma'am we need 1800 right away _____Pronoun_____;we will pay you back every cents it just we don't have the money right now and we need it" said Kesha.

"If you don't leave my bank right now I will call the police on you" "Ma'am put the phone down and just hand us the money now" i said.

What me and Kesha didn't know was that the security was telling people to leave be hide our back while we was still talking to the banker.I turned around.

"RUNN KESHAA!" I yelled.

We ran as fast as we could;i made it past the electric door and reached outside.I turned around and seen Kesha locked in.

"KIM COME ON RUNN!" Rachel said.

"KESHA IS LOCKED IN" I replied.

I went back and grabbed a rock,busted the glass on the electric door and grabbed Kesha hand. Soon as we were close to the car like 3 feet away;The police hampered us.

"I'm sorry we needed the money" said Rachel.

"Why?" the police asked.

"We need to free our uncle"

"So all three of you girls related?" he asked

"Yes sir" I answered.

"ok..please head to the car...you can talk to the judge"

We all headed to the car with so much tears in our face it looks like a waterfall. The police officer took us to jail and he told us to wait until he calls us. Like three hours later he told us to wait by this big door. He opened it;it was the court room. Everybody was looking at us like we _____Verb - Past Tense_____ ice cream with chocolate on top with a cherry. The judge was just looking at us with such disappointment. We sat down right in front of the audience with our eyes still filled with tears. Then the judge was saying some stuff but we weren't really listening we were just talking about how we were gonna tell our parents. After she finished saying whatever she had to say she asked us some questions;Like the five w's. Afterwards, we had to call our parents or you could say my uncle and aunt. Our parents let us go and we went home..we got punished and so on so forth. The reason why we want the money so bad is because he got arrested for something he didn't compit and he has a wedding this this Saturday (in two days). On the news they said he stole a gold watch but he didn't and i know because my cousins

and i was with him. I think the man that _____Verb - Past Tense_____ to him put the watch in the jacket. i don't know how to tell the court that..they probably wont believe me because i did just rob a bank. The next day i decided to go to school but after lunch my cousins,Kesha,Rachel, and i went to the park to discuss our plan.

"What should we do? Kim" Rachel said.

"To be honest i don't know;i don't want to give up but i think thats our only option" I answered.

So after school i went home to think about what i should do about this situation. I asked my mom for some help and she told us theres no way we could help him. The next day at school i told Kesha and Rachel we cant do nothing. We just sat there quiet as a mouse.

"what if we have the marriage at the jail" Kesha said.

"Hey that wouldn't be a bad idea" i replied.

So i went home and told my mom about the idea Kesha recommended.

"i don't think thats necessary he is going to get out soon cause they found the guy that took the watch" my mom said.

"but they do think it he was involved..right?" i asked.

"well they think he might get out tonight around 11 if they get all the evidence they need" she said.

"yeah.."might" but thats a big if" i said.

"Fine ill ask the police if it ok with the court" she answered.

"thank you so much mom" i yelled.

Today was finally Saturday and i asked my mom if i can go to my cousins house to tell them and to get my aunt. They

didn't really live that far maybe a block or two away. I walked to Rachel house first and thank goodness she was off punishment.

"were gonna have the wedding in jail" i told her.

"Thats insane but that could also work"

We walked to Kesha house but she was grounded for a month and some change. I tried my best to convince my aunt to let her off but it didn't work.We need to get the big guns (my mom). My mom can convince anyone. That why she sells houses can she good. After awhile it worked she let her go with us. Later on durning the day she picked up the rings and got my aunt and we headed to jail.

"excuse me sir is James robinson here?" i asked.

"no ma'am he left awhile ago..he was set free" the police officer said.

My aunt started crying because he wasn't home and wasn't at work the only place

jail. So we headed to the big park cause thats were my aunt and uncle always go. Im sure you can figure out what happen. He was there with a picnic basket and ribbons
