# butts

You meet her (Place) on the           Noun - Plural          . Tell her jokes. Make her laugh. Compliment the way she wears her hair over her shoulders and across the right side of her forehead. Tease her about the way she trips over her sentences and about the (Music) soulless Hip Hop she listens to. She hits you. Don't worry; it's all in good fun. Show her your room: your collection of half finished sketches, your dusty guitar, and your window that looks out towards your (noun) senile neighbor. She likes the blueness of your wall. She says it reminds her of (Noun) Easter eggs. Play her music. Listen to (Bands) The Roots and A Tribe Called Quest. Say they have soul, say they're influenced by jazz. She tells you that jazz is like (Simile) a picture of dog's playing cards.
