

Seigi

1. Proper Noun

Seigi

Once upon a time in the year 205 there were two best friends, Eiji and Seiji, who lived in Tokyo. Everyday they would run in the park or look at a Japanese Garden or two. After school which was Seiji worst thing he was continually getting F's in school all because he didn't pay attention. he even thought is was acceptable because all his friend didn't either,

Today was different, Seiji was acting strange. He was forgetting everything like he "What is getting into you friend?" Eiji said but Seiji already left to find a cure for himself. He _____ Proper Noun everywhere until he came to the Island of Shikoku where he found a cave with a wizard named Kiko.

Kiko who was a wizard was on a tatami mat at the time of Seiji's arrival and told him to come back tomorrow.

So the day past and again he entered the cave he , " I need a cure for day dreaming. I forget where I am and I feel tired out". Kiko paused, "day dreaming you tell me? Well it must be fixed right now. I have a magic scroll about daydreaming Just try to pay attention and take breaks when needed ."so,

Seiji went home and tried the new scroll's advice and he was the best in the grade . Currently he is a straight A student because of kiko and never had to worry about daydreaming again. In , to 4th Ceo of a company because he treated his problem from the start. The End
