ffg

1. Proper Noun _____

ffg

After arriving in the department, I looked at my schedule and had (number) patients listed. My first one was scheduled at (time of day) so I went out to the floor to see if he was (description/ADL status). I went into the room and (patient's name) was in bed with the call light on requesting to go to the bathroom. I was (emotion) that he was requesting help and (_____Proper Noun_____ activity) . Joe was complaining of (number) out of (number) pain but really needed to (PT activity) . Luckily the OT, (OT name) walked by and was (adjective) to assist with the toileting stating "OT measureable statement".
