Your life in Assassin's Creed

The story of my life as an assassin...

After training for _____ Number years, my mentor _____ AC character believed I was ready to begin my quest as an Assassin. I felt _____ emotion as I packed away _____ Noun - Plural in preparation for my journey to _____ location. The following morning, I climbed onto my _____ Animal and traveled for _____ Number hours. I looked forward to meeting with _____ AC character. We shared a _____ Adjective bond, even though we initially felt _____ emotion towards each other. A _____ noise noise interrupted my thoughts and I felt an arrow pierce my _____ a body part. Down the road, I saw a group of Templars approaching me _____ Adverb, and I came to the realization that my _____ animal couldn't outrun them. I immediately wielded my _____ weapon and prepared to _____ verb the attackers. The fight was leaning in my favor until a Templar caught me off-guard and shot me in the _____ a body part. Before I fell into unconsciousness, I heard _____ AC character 's voice in the distance. I awoke in an infirmary and noticed that someone was sitting at my bedside. Instantly, I recognized the _____ color eyes of my long lost lover, _____ AC character, who kissed my _____ a body part and whispered to me softly, "_____ a quote." A _____ emotion feeling washed over me and I replied, "Nothing is _____ Adjective. Everything is _____ Adjective."
