How to make the most delicious meal!

One day my friend	First Name of a Person	_ taught me how to ma	ake the most	Adjective	_ meal in only
one minute. However, the	his meal may contain	n side effects like,	disease , hear	t disease, br	ain injuries, and
hair loss. On the bright	side,you have all of	these ingredients right	at Location	! These in	ngredients are
Number cups of	f sugar,Number	cups of flour,	Number cups	s of mud,	Number
cups chlorine (from any	pool, even your nei	ghbors), 3 cups of dog	g food, and lots of	food dye so	it wont look like
throw up, although you	could add that in too	! Now put all of this i	n the thing	and it sh	ould become a
Adjective paste	after aboutNuml	seconds. Now	just throw the gla	ass part of th	thing
with it all inside into the	e microwave for	Number seconds	in order to becom	e <u>food</u>	like. This
beautiful <u>food</u>	is now ready for	Number to eat!
