# Fighting Dragon

was a ninja. she faught for her           Noun           but what did she get.the chief (her dad)treats all the other

          Noun           better. jk(just kidding)he           Present tense verb           her and treats her like an angel.jk again he's

usually in the bathroom and has no time for any of his children, so...he actually treats his children

          Adverb          .
